

Chateau On The Lake Resort, Spa & Convention Center In Missouri Offering “Meetings On A Higher Level” Package

BRANSON, MO (November 2009) – The AAA Four-Diamond **Chateau on the Lake Resort, Spa & Convention Center**, which sits on an Ozark mountaintop overlooking Branson, Missouri’s scenic Table Rock Lake, is offering a “**Meetings On A Higher Level**” package with seven enticing incentives for groups. The 301-room resort boasts one of Missouri’s largest convention centers, with 43,500 square feet of flexible meeting space, and the ability to host groups of 10 to 3,000.

Available to new programs booked and held at the resort by May 1, 2010, the “**Meetings On A Higher Level**” package includes seven incentives: the choice of a **free** meeting break, or wine & cheese reception, or continental breakfast; five **free** Spa Access passes at the resort’s world-class spa, for attendees; a **free** meeting room; three **free** VIP amenities; one **free** VIP upgrade to a suite at the group rate; **free** high-speed Internet access in all attendee guest rooms; and **free** garage parking for all attendees. Making it even more appealing is that room rates for the package start at just **\$99 per room, per night**. The package is available to new groups with a minimum of 25 room nights. The offer is based on space availability and the availability of the incentive perks at the time of the contract signing. The incentive perks are one per program, and not one per day, and the offer may not be combined with any other special offer or promotion. Meeting rooms are assigned appropriately to group room nights booked.
